

SUBJECT: Fishing on UCF Properties	Effective Date: 7-13-05	Policy Number: 3-103	
	Supersedes:	Page 1	Of 2
	Responsible Authority: Director of Police and Public Safety		

APPLICABILITY/ACCOUNTABILITY:

This policy applies to anyone on University of Central Florida campuses.

POLICY STATEMENT:

The University of Central Florida does not permit fishing in any body of water located within the physical boundaries of the campuses. Exceptions to this rule are as follows:

1. Ponds that are under the direct control of the Biology Department are, at times, used to grow various species of fish. The taking of such fish is conducted for research purposes and is under the control of the Biology Department.
2. Special events, such as fishing tournaments, are reviewed and approved by the Police Department using the UCF Potentially Hazardous Events procedure and in consultation with the Biology Department.

DEFINITIONS:

Fishing. Attempting by any method to catch wildlife in bodies of water.

Body of water. A lake, pond, retention pond, ditch, stream, or wetland.

PROCEDURES:

Those who are found to be in violation of the policy and who are not members of the university community (i.e., faculty, staff, or student) will be issued a trespass warning.

Members of the campus community will be advised that fishing is prohibited on the campus and requested to refrain from such activity in the future. If they continue, they will be subject to appropriate disciplinary action.
